Larkway Cancellation & Service Credit SOP v3

Status: CURRENT

Effective: 1 A

1. Order cancellation

- DRAFT: Can be cancelled at no charge.
- BOOKED, not yet PICKED_UP: Can be cancelled. No fee within 20 minutes of booking. After 20 minutes, charge INR 350 unless a customer agreement explicitly waives the cancellation fee.
- PICKED_UP: Do not cancel. Start the return-to-origin workflow if the customer wants the parcel back.
- DELIVERED: Cannot be cancelled.

2. Failed-pickup service credits

Under the default policy, a customer qualifies for a service credit when pickup happens more than 90 minutes after the end of the scheduled pickup window, the carrier is at fault, and the customer caused no part of the delay. The default credit is the lower of INR 600 or 15% of the shipment fee. A signed customer agreement may replace the default delay threshold, credit amount, or cap.

3. Approval and uncertainty

- Any single credit above INR 1,500 needs manager approval.
- Do not promise a credit while carrier fault, pickup timing, or customer fault is unknown.
- When records conflict, name the conflict and get verification before any state-changing action.
